MEET YOUR NEIGHBORS

**KIM BLISS IVY LANE
MICHELLE MORABITO
BELVIDERE**

Kim Bliss is one of our newest residents. You've probably already met her at DiCello's Pizzeria and Restaurant, where she helps out with the family business, along with her sister-in-law, Michelle Morabito. They both work very hard to make DiCello's a success.

Kim grew up in the Hoffman Estates/Schaumburg area. She has 40 years of corporate experience, working 10 years as a store manager for Walden Books. She was also employed as a communications manager and writer for Office Max and Ace Hardware. At the age of 40, she attended DeVry University, where she studied hard to earn her Master's Degree in history and won 2 awards for her writing talents. Kim now lives at Four Seasons with her lovely cat named Keebler.

Kim moved to Four Seasons to be close to her family and the family business. She loves the small town atmosphere. The first time she drove here from big city life, she stated she "felt the tension draining away." She loves living at Four Seasons because everyone is friendly. She enjoys "chitchats" at the mailbox with neighbors.

Kim says she feels like Four Seasons is a small town within a town. She loves the beautifully kept grounds and gardens within the community.

Kim enjoys listening to iTunes & old time radio. She is currently working on writing some novels and likes to relax with a good word puzzle book. Kim has enjoyed doing some traveling to Washington, D.C., Yosemite, Yellowstone & San Diego, where she had the opportunity to view the Dead Sea Scrolls.

Michelle, Kim's sister-in-law, is originally from Addison, IL. She is the "heartbeat" of the business at DiCello's, working hard many hours of the week. She has two sons, one daughter and a beautiful granddaughter. One of her sons is a U.S. Army Vet. Michelle also takes the time to care for her 2 dogs, Pepper and Hershie.

DiCello's has been a classic pizzeria and restaurant, serving Belvidere residents for 10 years. They offer everything from appetizers, salads, burgers, dinners, pasta, daily specials and pizza. A children's menu is available and so is a tempting dessert menu! DiCello's is most famously known for inventing the delicious Italian Beef Pie, the Gyros Pie, the Rib-Eye Steak Pie and the Combo Beef & Sausage Pie. **YUM YUM!**

DiCello's is located at 1925 Union Ave., right next door to BMO Harris Bank. They offer dine-in, carry-out, delivery and catering. Simply phone (815) 544-4700.

Take some time out of your busy day or evening to enjoy a wonderful meal surrounded by a family atmosphere at DiCello's. Be sure to say "hello" to Kim, Michelle and family!
